02 HOW IT WORKS

Simple, structured, and every single day.

25–30

aspirants per group, so every student gets attention

Weekly

group meet call of approx. 1 hour with your mentors

Daily

targets and progress updates shared with mentors

1

Join your mentor group

Get added to a WhatsApp group with your mentors and a small batch of 25–30 aspirants.

2

Share your targets every day

Send your daily targets and updates so mentors always know where you stand.

3

Meet every week

A weekly group call of approx. 1 hour to ask for guidance, clear doubts and get strategy advice.

4

Stay on the right path

Mentors spot mistakes early, correct your course and keep you heading in the right direction.

WHAT YOUR MENTORS GUIDE YOU ON

01

Study Strategy

The right plan for the right subjects, built around your target.

02

Planning

Clear weekly and daily plans so nothing is left to chance.

03

Time Management

Make every study hour count, without burning out.

04

Consistency Building

Habits and routines that keep you going day after day.

05

Staying On Track

Regular check-ins so you never drift away from your targets.

06

Right Direction

Mentors point out what is going wrong and correct your course.
