01 — THE PROGRAM

Guidance from students of IIT, BITS and ISI.

The Axiom™ IIT JEE Mentorship connects you with mentors who are studying at IIT, BITS and ISI. Instead of preparing alone, you join a small group of 25–30 aspirants and get daily direction on strategy, planning and consistency, so every day of your preparation counts.

25–30

aspirants per group, so every student gets attention

Weekly

group meet call of approx. 45 minutes with your mentors

Daily

targets and progress updates shared with mentors

YOUR MENTORS COME FROM

**ISI**

STUDENT MENTORS

Guidance & strategy

Hard work needs the right direction. Your mentors are there to make sure you never lose it.

02 — HOW IT WORKS

Simple, structured, and every single day.

- 1 **Join your mentor group**
Get added to a WhatsApp group with your IIT, BITS and ISI mentors and 25–30 aspirants.
- 2 **Share your targets every day**
Send your daily targets and updates so mentors always know where you stand.
- 3 **Meet every week**
A weekly group call of approx. 45 minutes to ask for guidance, clear doubts and get strategy advice.
- 4 **Stay on the right path**
Mentors spot mistakes early, correct your course and keep you heading in the right direction.

WHAT YOUR MENTORS GUIDE YOU ON

01

Study Strategy

The right plan for the right subjects, built around your target.

02

Planning

Clear weekly and daily plans so nothing is left to chance.

03

Time Management

Make every study hour count, without burning out.

04

Consistency Building

Habits and routines that keep you going day after day.

05

Staying On Track

Regular check-ins so you never drift away from your targets.

06

Right Direction

Mentors point out what is going wrong and correct your course.

03 — PLANS & EARLY BIRD PRICING

Two plans.

One goal: keep you on track.
